We would like to thank you for your interest in participating in the 1st annual AIA Fort Lauderdale Fishing Tournament. The tournament brings together a unique group of architecture professionals, GC's, developers and manufacturers to support good causes and provide a fun filled day. If you are not an angler, we offer a wonderful & relaxed sightseeing tour on the Jungle Queen.

A perpetual trophy rewards fierce competition, raising funds for the Chapters scholarships. The tournament is not only fun for the participants, but a great success for our sponsors.

We look forward to welcoming you into AIA Fort Lauderdale's fishing family where you can be part of a fun group of top architecture firms, GC's, Developers and manufactures.

The enclosed sponsorship information is only a suggestion. We can enhance any level of sponsorship to meet our marketing and budgetary needs. AIA Fort Lauderdale looks forward to awarding scholarships to local students majoring in architecture. Our participants and sponsors do more business thanks to this tournament.
